Re: Payroll

It is the responsibility of the employee to ensure that they are paid the correct amount according to their placement on the salary schedule. In the event that the District over paid the employee, the employee is responsible for paying the amount that was over paid to the District. Conversely, if the District under paid the employee, the District is responsible to pay the employee the correct amount due to him/her.

Attached you will find the Salary Schedules for the 2006-2007 (Last years, no raise negotiated until June of 2008) and the current Unofficial Salary Schedule for 2008-2009.

Please check your June warrant pay stub and compare it to your September 2008 warrant pay stub to see if you are placed according to where you should be on the salary schedule.

If you have any questions about your salary, please contact Payroll Accounting in the Business Office.
